INNOVATION & IA STUDIO  
BY ATRYON

Activate Innovation  
& AI as a lever for  
performance and  
compliance at  
the heart of your  
operations

## IA4Teams

Increase the impact and efficiency of teams, by deploying advanced tools and solutions to assist and enhance their work

## IA4Solutions

Enrich Atryon's consulting and service offers through embedded AI, bringing more value and differentiation to every solution

## InnovAtryon

Co-develop tomorrow's innovation and AI with our clients - from exploration to full-scale operational implementation

## Our mission

To structure, lead, and deploy high-value AI and innovation initiatives both for our clients and internally

## Our commitment

- ✓ Real and field-tested use cases
- ✓ A hybrid team of experts combining tech and operations
- ✓ A responsible and useful AI - pragmatic, ethical, and business-driven
